How We Work

Consultation

A member of our team will get into contact with you. They'll conduct an analysis of your circumstance and advise you of your best options free of charge.

Protection

Our first progressive maneuver would be to file a "Stay of Enforcement," blocking the IRS from seizing your bank accounts or assets. Protection for you instantly.

Investigation

Upon our analysis we can utilize our resources and seek out options that can save you the most money. An investigation will be completed and a favorable resolution will be given to you.

resolution

Our goal is to save you tens of thousands of dollars with the help of our experienced team, resources, and programs. With us your fresh start is our priority.
